Hello! My name is Kevin Lane.

This video may change your life FOREVER!

Discover how to pay off all your debts!

How would you like to...

Save over \$150,000 in interest payments

Add \$250,000 to your retirement account!

You're ready for a change for the better!

In this video, I'm going to give you viable solutions...

to the financial situation you are in right now.

The goal of my business...

Is to teach YOU the lessons that I learned when I conquered *MY* own debt situation.

How would you like to turn \$1

Into \$3, \$4 or \$5?

This system is perfect for you IF:

Homeowner with at least \$15,000 in additional debt

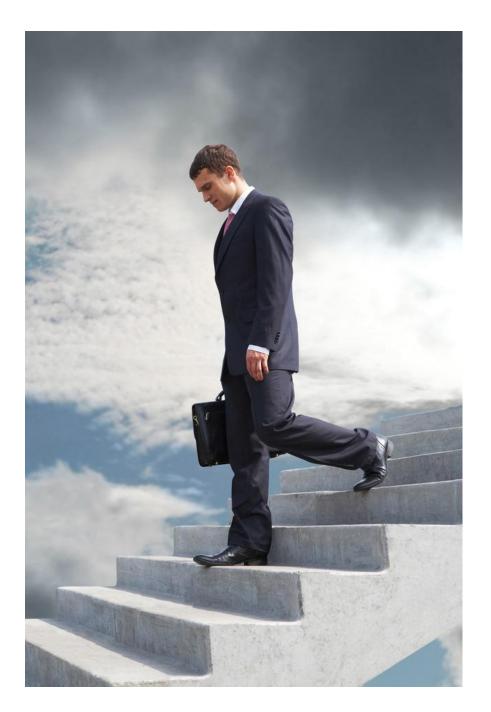

Non-homeowner with at least \$35,000 debt

You are CURRENT on your debt and not 30 days behind

You and spouse are actively involved through the process

You are serious about taking action!

Isn't it time to end the frustration and nagging feelings of being a financial failure?

This Debt Elimination System is like having a financial GPS

No crazy gimmicks

No cheesy software

No hyped up products

No secret sauce or black hat strategies

Tried and true system!

Are you committed to your future?

Take a minute and answer these questions...

Is your income-to-debt ratio going down?

Are you on a path leading you out of debt?

Are you on track to achieve your financial goals?

Do you have enough cash set aside for emergencies?

Do you have enough \$\$\$ to retire the way you envisioned?

If nothing changes, are you going to be debt free in a reasonable time?

In the last 5 years, have you paid off debt, like you had hoped?

If you answered "no" to 2 or more, this training is for **YOU**!

If you are ready to make the change...

The 4 biggest mistakes you are making now...

You will understand what got you into this situation.

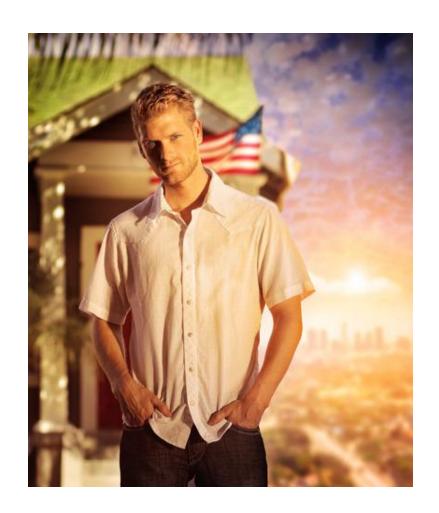

We will show you the way out!

Did you know?

Only 30% of Americans with mortgage debt actually own their homes free and clear.

Wouldn't it feel amazing to be one of the 30%?

Lesson 1
Where Banks
Make Their
Money

FROM YOU

And they make sure YOU keep pumping money into their pockets through...

Finance Charges

Refinancing

In

Interest Rate Compounding

Variable Interest Rates

\$900,000,000

IN INTEREST PAID to BANKS

EVERY YEAR

Lesson 2 Mortgages Debunked

How much \$\$\$ are you really paying for your home?

REAL EXAMPLE

\$200,000 mortgage loan

6% interest

30 year term

MONTHLY MORTGAGE PAYMENT: \$1,199

Month 1

\$1,000 to INTEREST

\$199 to PRINCIPAL

Month 2

\$999 to INTEREST

\$200 to PRINCIPAL

TOTAL PAID \$2,398

\$1,999 to INTEREST

\$399 to PRINCIPAL

\$399 to PRINCIPAL

\$1,999 to INTEREST

AFTER 1 YEAR - \$14,000 Paid

\$2,400 to PRINCIPAL

\$11,600 to INTEREST

AFTER 5 YEARS - \$71,000 Paid

\$13,000 to PRINCIPAL

\$58,000 to INTEREST

AFTER 10 YEARS \$143,000 Paid

\$32,000 to PRINCIPAL

\$111,000 to INTEREST

And the mortgage was for a \$200,000 home!

AFTER 21 YEARS \$300,000 Paid

for a \$200,000 home!

Until the home is PAID off, it is a liability –

NOT AN ASSET

SHOCKING, ISN'T IT?

Lesson 3 BANK BAILOUTS in 2008

Lost our money!

Lost our retirement funds!

Lost jobs!

YET – BANK BAILOUTS were done with OUR tax money!

Lesson 4 My Personal Story

I felt like I had a terrible secret

Woke up in the middle of the night

I hid credit card statements from my wife

I used credit cards for everything

My credit card amounts were so high, I couldn't pay them off monthly.

Credit had become a crutch!

Bills and expenses piled up.

Dinners out

Clothes for the kids

New toys for my wife

Car payments

Balance transfers

\$43,558 in credit card debt!

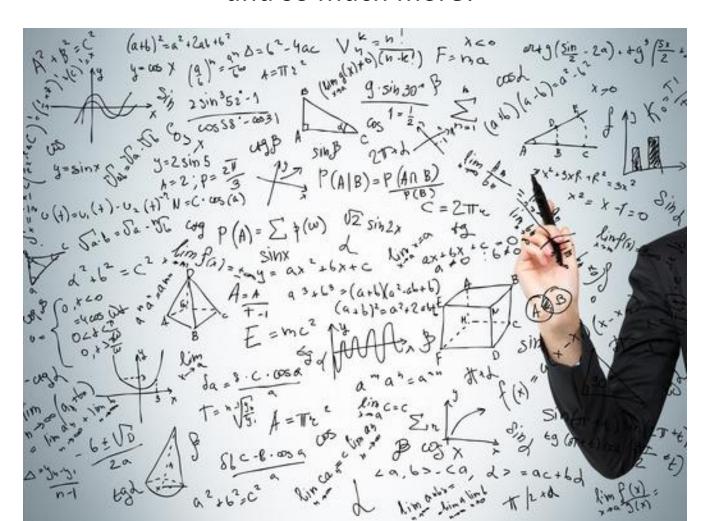

Lesson 5 I Learned From the Big Boys

Fastest way is the most cost effective way to pay off debt!

Opposite of what we consumers have been trained to do.

I used complex calculations of future values, net present value, amortization schedules and so much more!

I learned I could pay of \$43,558 in 5 years and 7 months!

And SAVE \$98,112 in future interest payments!!!!

Lesson 6

Isn't it time to stop struggling?

With this system, you'll never have to go through...

Credit counseling

Debt negotiation

Bankruptcy

Refinancing

Current ways of attacking debt Don't Work

Snow ball strategy

Debt stacking

Debt ladder

AND MORE! IT IS FRUSTRATING, ISN'T IT?

Lesson 7 The 4 Mistakes You are Making

FIRST MISTAKE

You are using tactics.

The more tactics you seek out, the more you have to go after!

It's a slippery slope!

SECOND MISTAKE

You see your debt elimination as an expense!

Your focus should be to invest \$1 and make \$3 back!

THIRD MISTAKE

You are focusing on garbage debt elimination!

Shady tools

Cheap tactics

They don't work!

FOURTH MISTAKE

You are using strategies that don't scale!

If it's not automated, it has low leverage capacity.

Listen to my clients' personal stories.

Lesson 8 Crack the Code

100% Fine-Tuned to your situation and budget

You can start small, it can be scaled up quickly!

Debt elimination system is automated – no brainer!

That's what it's all about. You can do this!
