INDIE MUSIC FANS: Connect, follow, download and share your favorites!

Join our independent music revolution. Be a part of the solution for the exploding demand for off-label talent. Help put the world's top Indie talent where it belongs - on LOOKEET - for *e*veryone to hear.

Did you know? Indie artists comprise 35% of the \$571 million of the current streaming music revenue? That's a pretty small amount considering the other 65% is being spent on filling the pockets of the already successful stars.

Our goals? It's time for Indie artists to have the opportunity to come out of the shadows and share in the limelight of their musical passions. It's also time for musical listening options for you!

We know you love music and are eager to hear new sounds as well as your favorite Indie talent. With your help, we're going to make that happen.

It's time for the music industry to open up the playing field and we're going to make it happen, together.

Check out LOOKEET's page layout below. We created it so it's easy to search, comment, share, download and more!

LOOKEET'S SUCCESS CREATES JOBS and FREEDOM OF CHOICE

Our success as a growing corporation will create jobs for studios, sound engineers, promoters, lyricists, photographers and videographers. Plus, it will increase sales for local clubs and venues who are looking for the hottest in local and regional talent. Your help will give independent musicians the social and artistic environment we've all been waiting for. Now we can take control of our musical choices and stop being forced to listen to promoters' deep pocket sounds.

FUNDING OUR INDIE FUTURE - Here's the plan:

Your contributions will make our intricate prototype a reality. The majority of the funding will help pay for the genius computer programmers we have selected, in addition to traditional operational costs:

- Front-end programming: ease-of-use
- Back-end programming: ecommerce, search engine, downloading, customer accounts
- iOS mobile device development
- Android mobile development
- Daily operations, i.e. sales, marketing, accounting and legal

OUR DEEPEST GRATITUDE for YOUR HELP: (Every \$1 helps!)
